Sales Manager

Upon your initial communication with the Ocean Center, a Sales Manager will be assigned to your event. Your Sales Manager has the full authority to discuss available space, rental policies and contractual requirements. Your Sales Manager will be your primary contact during the contract process, if you find you need changes after the contract has been signed, let them know so an addendum can be executed.

Event Coordinator

Following the execution of your contract, an Event Coordinator will be assigned to your event. Your Event Coordinator will assist in planning the logistics of your event, and will serve as your primary liaison with the Ocean Center through the conclusion of your event. Include your Coordinator in discussions with your service contractors and any other meetings pertaining to your event.

Please forward any drafts of floor plans, meeting room sets, and agendas to your Coordinator for review and suggested changes. We recommend adding your Event Coordinator to any event related mailing in order to enable them to monitor any items related to the Ocean Center.

Spectra Food Services

Spectra Food Service is the Ocean Center's exclusive food and beverage service provider, **no outside food and beverage will be permitted without written approval from Spectra**. You will be impressed with the level of service and food presentation you will receive from Spectra; your Catering Sales Manager will guide you through the menu selection process.
